

Safari Niagara 2018 Fact Sheet

Safari Niagara is a 150-acre nature park located in Stevensville, Ontario, and is home to over 1000 mammals, reptiles and birds. Founded in 2002 by the Tykolis family, Safari Niagara is an award winning, Canadian Accredited Zoos and Aquariums (CAZA) and Zoological Association of America (ZAA) facility. Safari Niagara is a wonderful destination for people of all ages and abilities to get up close with the parks wild inhabitants. The park is completely interactive with free daily educational keeper talks, narrated tram tours, animal feedings and a petting farm. Safari Niagara also boasts an all-inclusive admission, which includes entrance to all activities such as Sky Quest Ropes Course, Bounce A Rooz and a Splash Pad.

MISSION STATEMENT: At Safari Niagara, our goal is to bring you and your family a one-on-one connection with nature. We invite you to see the animals up close and get to know them. In this way, children of all ages can explore how we are all part of nature...and where we fit in. It is hoped that Safari Niagara will inspire future conservationists and nature-lovers by bringing them into a new environment.

SIZE: Currently built on 150 acres of land, Safari Niagara has begun expanding into their additional 200 acres.

ANIMALS: Home to over 1000 domestic and exotic mammals, reptiles and birds.

ANNUAL ATTENDANCE: Safari Niagara attracts more than 150,000 guests annually from all over the world.

MANAGER: Tim Tykolis

AFFILIATION: Safari Niagara is an accredited member of the prestigious Canada's Accredited Zoos and Aquariums (CAZA) and Zoological Association of America (ZAA) comprised of caring, trusted experts committed to

Safari Niagara 2018 Fact Sheet

ensuring that many endangered and threatened species are part of the world's future.

AWARDS:

Safari Niagara has received numerous significant awards for its leadership in economic developments and positive environmental impact, such as the 2017 Business Excellence Fort Erie Attractors Award, 2017 Trip Advisor Certificate of Excellence and the 2017 Trip Advisor Traveller's Choice

NEW FOR 2018:

Safari Niagara plans to open an educational centre for the 2018 season. New facilities will be built to help assist with quarantine and veterinary procedures with the hopes of opening a rehabilitation centre in the years to come. De Brazza's Monkeys, a Clouded Leopard and a new Giraffe will join us this season.

EDUCATION:

Safari Niagara offers children ages 6-12 the opportunity to engage in day camps throughout July and August, providing them with an educational, interactive and engaging experience with nature oriented programs. Safari Niagara also offers teachers and school groups the opportunity to learn and connect with wildlife through a customized professionally developed curriculum package.

VOLUNTEERS:

Volunteers play an important role at Safari Niagara. They educate the public about wildlife, direct visitors, help assist with special events and help maintain the zoo's beautiful landscape.

COMMUNITY GROUPS:

Safari Niagara is an avid contributor to the community. In 2017, Safari Niagara hosted the annual Cystic Fibrosis walk to help raise funds and awareness and also partnered with Try It Kids Inc. to host the Try It Kids Tryathlon to raise funds for the OneFoundation with Niagara Health Systems. As the company grows, Safari Niagara avidly
