COOLER TEMPERATURES ARE SETTING IN BUT THAT DOESN'T MEAN SAFARI NIAGARA IS SLOWING DOWN QUITE YET

Stevensville, ON (September 13, 2018) This season has brought non-stop, exciting entertainment for the whole family but just because the cooler temperatures and fall season is setting in doesn't mean that Safari Niagara is slowing down quite yet. After a busy and successful summer, Safari Niagara is gearing up for an exciting fall event line-up.

Safari Niagara offers something to all age groups and demographics with its upcoming event line-up, which includes Customer Appreciation Weekend, Brew at the Zoo and Boo at the Zoo. This month's upcoming events, offering something for everyone, include:

Customer Appreciation Weekend: Join Safari Niagara for Customer Appreciation Weekend on Saturday, September 15 & 16 from 10:00AM - 5:00PM. We appreciate our guest's support throughout the season and understand that not all guests can afford regular price admission, which is why we want to offer a discounted day for everyone. All guests will receive a special discounted admission rate of \$10.00+HST per person. The weekend will feature complimentary face painting, inflatables and a chance to win a 2019 family season membership.

Brew at the Zoo: Safari Niagara, Niagara's only zoo, will host its third annual Brew at the Zoo on September 22, 2018 from 11:00AM - 7:30PM. Brew at the Zoo is a rain or shine, tented craft beer festival featuring Ontario craft beer and cider. Advance \$12.00+HST tickets are available online until September 21 and include event entry and full access to Safari Niagara. Admission is \$17.00+HST per person at the gate on event day.

Boo at the Zoo: Safari Niagara will host the 6th Annual Boo at the Zoo event on October 6, 7 & 8, 2018 from 9:30AM - 4:00PM. Guests are invited to trick or treat their way around the zoo brought to you by 70+ local businesses throughout the three-day

event. Children 12 & under in a costume receive FREE admission and adults are \$17.00+HST. A food drive will run throughout the duration of the event and in order to receive the discounted admission rates Safari Niagara asks that all guests bring with them a donation of a non-perishable food item to help support local food banks. Boo at the Zoo is a non-scary, fun and safe celebration for the entire community that will feature complimentary inflatables, costume contests, a Halloween fun zone area and of course, trick or treating!

Safari Niagara will end its season on October 8, 2018 and would like to thank all of its past, present and future guests for their support and a successful season. They look forward to announcing their new event and park plans for the seasons to come in the Spring of 2019.
